GTB Financials, Inc. joins NinjaTrader's 3rd Party Partner Program

Denver, CO, March 8, 2010 – NinjaTrader, LLC, announced today that GTB Financials, Inc. is the newest entrant to the NinjaTrader 3rd Party Partner program. GTB Financials, Inc. members can execute trades through NinjaTrader for Futures, Forex and Equities and is supported by industry leading market data vendors and brokerages.

GTB Financials Inc. offers the state-of-the-art MAYAS automated trading system for NinjaTrader enabling traders to fully automate their orders and execute high probability trades in any market. The MAYAS automated strategy is derived from a combination of technical and fundamental analysis to determine the optimal time and price for an order to be submitted. Their member's utilize NinjaTrader to operate the MAYAS automated system and to route executed orders to a vast array of supported brokers world-wide. The GTB Financials, Inc. advantage is their fully interactive client support via online tutorials, training webinars, broker connectivity instructions, trade performance reporting and 100% money back guarantee.

"NinjaTrader is the only platform that offers our clients so many compatible brokers to execute automated strategies, which it does to perfection" says Pabhjot Sodhi of GTB Financials, Inc. "We are very excited to be partnered with NinjaTrader and to offer our clients the industry's most powerful charting features, superior order management technology and efficient customer service."
