Mohan's Market Force and NinjaTrader Announce Strategic Partnership

Denver, CO, September 21, 2009 – Mohan's Market Force and NinjaTrader, LLC are pleased to announce the trading methods taught by Mohan's Market Force are now available for NinjaTrader. Mohan's Market Force users can execute trades in Futures, Forex and Equities through NinjaTrader, an industry leading high-performance trading platform that is supported by all leading market data vendors and world-wide network of supporting brokerages.

Mohan's Market Force offers a consistently accurate trading methodology along with clear price projections for support, resistance and forward forecasting of market direction. Mohan's "Daily Directional Forecast" newsletter revolutionized the financial trading industry by giving traders a consistent market forecast before the opening bell. His newsletter has built a worldwide trading community through an 80% accuracy rate for the last 5 years.

"I am excited to offer my clients the industry's leading trading platform and trade execution abilities only found in NinjaTrader" says Mohan, Director of Mohan's Market Force. "Our traders gain an edge over the competition by using NinjaTrader's innovative order management, Chart Trader and precision indicators."

About NinjaTrader, LLC

Founded in 2003, NinjaTrader, LLC (www.ninjatrader.com) has quickly emerged as a leading developer of high-performance trading software. NinjaTrader is a FREE application for advanced charting, market analytics, system development and trade simulation.
